Remote Learning Cafe Plan

- When requesting for a grab and go meal, whether you are a remote learner all week or just on Wednesdays you must follow these steps.
 - Must be enrolled in either the LHSD remote learning option or the face-to-face model. Only those enrolled and attending will be able to place orders and it will be charged to their lunch account.
 - Parent will have to provide the student name and/or ID number.
 - If possible, please put your order in for the entire week.
 - All buildings will be open for the Grab and Go and you will need to report to the school that your child attends in order to receive your meal.
 - The student does not need to be in the vehicle, however the driver will need to verify the student name and ID number.

Lunch

- Students will be required to call the school between the hours of 8:00 AM and 10:00 AM at the elementary and Middle School and 7:30-9:30 High School.
- Designated pickup spots will be provided for each building and times will be given when the order is placed.

Breakfast

- Remote Learners for the entire week will receive their breakfast at the same time as they receive their lunch. Parents will have to let the cafeteria know if they want both lunch and/or a breakfast. We will only record what they order.
- Students for Wednesdays Remote Learning day requesting breakfast for Wednesday will let the cafeteria know at the start of the day on Tuesday. They will pick-up breakfast on the way out of the building on Tuesday.
